Application for Registration (Authorization) of Postsecondary Schools
Iowa Code Chapter 261B

This is the application form for all schools that are required to register under Iowa Code Chapter 261B.

All items must be completed. If there is insufficient space on the form to provide all requested information, use additional, separate attachments as required, numbering them to correspond to the application item. Other documents or materials may be attached separately in lieu of providing the information on the form. In such cases, the material or document should be referenced on the form, for example, "see attachment #xx."

Submit the completed and electronically-signed PDF of the application and any separate electronic attachments via email to Carolyn.Small@iowa.gov, or store on external media (i.e.: thumb drive, CD, etc.) and mail to:

Postsecondary Registration Coordinator
Iowa College Student Aid Commission
430 E. Grand Ave., FL 3
Des Moines, Iowa 50309

A school must submit a $1,000 application fee with the application. Please make the check payable to the Iowa College Student Aid Commission and mail to:

Iowa College Student Aid Commission
P.O. Box 310348
Des Moines, IA 50331-0348

The information you provide will be open to public inspection under Iowa Code Chapter 22.11, and posted to the Iowa College Student Aid Commission (the Commission) website under Iowa Code Section 261.2., subsection 7(b).

Exception: A private non-profit or for-profit corporation may submit financial statements associated with its most recent independent auditor's report to the Commission and request that they be treated as confidential. For more information, see application item #31.

For assistance or questions regarding the application, contact the Postsecondary Registration Coordinator at:

(15) Describe the procedures followed by the school for safeguarding (e.g., storage, security and back-up processes) and preservation of student records [(261B.4(12))]:

The College's student information system records are backed up nightly. Those electronic backups are stored and maintained by the Information Technology Department. Backup to existing infrastructure occurs in our campus server room and is secured by lock and key. The data are also secured by job role so that only network administrators have access to the backup locations and files. Family Educational Rights and Privacy Act polices and procedures are in place and followed to protect against dissemination of protected student information.
To prevent identity theft, students' non-public personal information are maintained in locking fire-proof
