Free Food, Fun and College Advice during “College Day Grill Out” on June 19
GEAR UP Iowa, University of Northern Iowa, Buena Vista University and Iowa Central Community College to host the free college readiness event

Des Moines, IA., June 11, 2013 – The Iowa College Student Aid Commission (Iowa College Aid) announced today its support of “College Day Grill Out” being held at the baseball/softball athletic fields in Storm Lake on June 19, 2013 from 5:30 p.m. to 7:30 p.m. Students, parents and community members are invited to attend the free event to enjoy food and fun while learning more about the college planning process. The event is made possible through the collaborative efforts of GEAR UP Iowa (a program administered by Iowa College Aid), the University of Northern Iowa (UNI), Buena Vista University and Iowa Central Community College.

During the event, participants will have the opportunity to win prizes, talk with college representatives, gather college readiness materials, complete college interest cards, as well as complete college admissions applications. Grill out favorites – hamburgers, hot dogs, baked beans, chips and refreshments catered by Hy-Vee - are being provided by the University of Northern Iowa.

“UNI is excited to be part of this collaborative effort in Storm Lake,” stated Jonathon Cox, coordinator of minority and student diversity programs at UNI. “Our main objective is to share college readiness materials with students, parents and the community and to ensure they get all of their college questions answered. Anyone is welcome to come and grab a bite to eat and learn more about ways to further their education,” Cox said.

“Our vision at Iowa College Aid is that all Iowans can achieve an education beyond high school,” said Karen Misjak, executive director of Iowa College Aid. “Iowa’s increased demand for skilled workers means a college education needs to be attainable and affordable for our residents. This includes 4-year colleges and universities, community colleges as well as trade schools,” explained Misjak. “We are very pleased to be part of this “College Day Grill Out” in order to talk to Iowans about furthering their education and how that will better prepare them for sustainable careers in our state.”
