## FAFSA Myths

**Myth:** There are so many people applying for federal aid, there just isn't enough.

**Truth:** There are billions of financial aid dollars available to students every year.

**Myth:** My family makes too much money, so I won't qualify for any financial aid.

**Truth:** Every student qualifies for some type of financial aid. There is no maximum family income to qualify and it's free to apply, so just do it!

**Myth:** The FAFSA takes too long to fill out.

**Truth:** From start to finish, filling out the FAFSA should take no more than 30 minutes.
