Postsecondary Registration Iowa Code Chapter 261B

This is the application form for all schools that are required to register under Iowa Code Chapter 261B.

All items must be completed before the registration application or the exemption will be considered received for processing. If there is insufficient space on the form to provide all requested information, use additional pages as required, numbering to correspond to the item. Other documents or materials may be attached to the form in lieu of providing the information on the form. In such cases, the material or document should be referenced on the form and *clearly marked* for ease of identification.

Submit one paper copy and one electronic pdf copy of the application.

GENERAL INFORMATION

Q. *Who must register?*

A. Registration is required for any school that maintains or conducts one or more courses of instruction, including courses of instruction by correspondence or other distance delivery offered in this state or which has a presence in this state and offers courses in other states or foreign countries and is not subject to an exception described in Iowa Code Chapter 261B.11.

"School" is defined as an entity which:

- a. Is, owns, or operates a nonprofit postsecondary educational institution.
- b. Provides a postsecondary instructional program or course leading to a degree.
- c. Uses in its name the term "college", "academy", "institute", or "university" or a similar term to imply that the person is primarily engaged in the education of students at the postsecondary level, and which charges for its services.

"Presence" means maintaining a physical, postal, telephone or internet address within Iowa. "Presence" does not mean, "located in Iowa".

Q. *What is required to register?*

A. To register, a school must first be accredited by an agency or organization approved or recognized by the United States Department of Education or a successor agency and be approved by all State of Iowa agencies with approval jurisdiction, and subsequently, except as provided in subsection 2, be approved for operation by the Iowa College Student Aid Commission.

An educational practitioner preparation program that is operated by a school that applies to register the program in accordance with this chapter must be accredited by an agency or organization approved or recognized by the United States Department of Education or a successor agency and in addition, be approved by the state board of education pursuant to section 256.7, subsection 3, and subsequently be approved for operation by the Iowa College Student Aid Commission.

Q. *When must registration and renewal occur?*

A. Registration must occur **prior** to the school commencing instruction which would bring the school under the registration requirement.

1. Registrations must be renewed every four years.

2. Registrations must also be renewed upon any substantive change in program offerings, location or accreditation.

Q. *Must the school also file a bond under Iowa Code §714.17 et seq?*

A. The provisions of *Iowa Code § 714.17 et seq.* require the posting of proof of financial security, as defined by a list of organizations that are *not* required to provide proof of financial security. There is no automatic exemption between chapters 261B and 714.

Whether a school is subject to Iowa Code Chapter 714 depends upon the specific situation of the school. A school must review the provisions of Iowa Code Chapter 714 to determine how the law applies to the school's own situation.

Q. *If the school is incorporated under the laws of a jurisdiction other than Iowa, must the school also obtain a Certificate of Authority to do business in Iowa? Is registration under Chapter 261B required if a Certificate of Authority to do business in Iowa has been granted?*

A. *Iowa Code §490.1501* requires a non-Iowa for profit corporation to obtain a Certificate of Authority from the Secretary of State before business is transacted in Iowa. *Iowa Code §504.1501* similarly requires non-Iowa nonprofit corporations to obtain a Certificate of Authority from the Secretary of State prior to conducting affairs in Iowa. Registration under *Iowa Code Chapter 261B* is not a substitute for obtaining a Certificate of Authority. An incorporated school must review the provisions of *Iowa Code §490.1501 et seq.* or *§504.1501 et seq.* in the context of the school's planned activities to determine whether a Certificate of Authority is required. The Secretary of State may be contacted at the following address.
