ANSWER: We anticipate the continuance of the program, enrolling students and employing faculty in the area of Southeastern Community College as we have for several years. Occasionally we send a faculty person from the main campus in Hannibal when we are unable to find a qualified instructor in the Keokuk area.

We rent a classroom from Southeastern Community College one night per week for each of the majors.

The auditor's statement is in the letter on page one of the 2012 report.

Provide evidence that faculty within an appropriate discipline are involved in developing and evaluating curriculum for the program(s) to be registered in Iowa.

ANSWER: CURRICULUM DEVELOPMENT & EVALUATION. The curriculum is used in multiple locations. HLGU chooses veteran, experienced instructors from various locations to help update and improve curriculum. Some of these instructors are from Iowa.

Provide evidence that the school has adequate physical facilities appropriate for the program(s) to be offered and are located in the state. Include a copy of a signed agreement for a facility purchase or lease or option to purchase or lease. Please include a photograph of the location.

ANSWER: FACILITIES. In our partnership with Southeastern Community College, they have allowed us to use one classroom, one night per week, for each major being delivered on that campus. For our program that is the only facility needed at that location. This use was part of our agreement with SCC.

Since the program in Iowa is small, all administrative office space is on the main campus at Hannibal.

REFUNDS ← From the Student Handbook

A student shall normally be assessed tuition charges by non-traditional semesters. If a student withdraws at the end of a module not concurrent with the end of a semester, the tuition for the modules for which the meeting dates have passed shall be considered earned and those modules not yet started shall be considered unearned, and thus refundable.

When a student stops out of a group the charge must be prorated and refunds given either to the student or the government as determined by government regulations. The student is responsible for any refund to the government.

The date of withdrawal shall be the date on which the student notifies the Innovative Programs Office. The student must complete and return the appropriate forms to the University for official withdrawals. For Financial Aid Office purposes, the date of last attendance will be used. Forms are available in the Innovative Programs Office.

If a module is failed, the student shall be assessed the tuition again for the module when repeating the module. Students dropping back to a later group will be assessed tuition at the time of re-entry only for those modules they need and enroll in at that time.

Policy: Students called to active military duty during a period of enrollment

Concerning students who are called to active duty in military service.

1. Students will receive a refund of tuition and fees. Rather than following the usual refund policy as stated in the catalog, we will refund 100% of tuition and general fee that students have paid and a prorated refund for room and board based on the number of weeks completed. Lab fees for courses taught by others off campus (e.g. certain physical education courses) will not be refunded because we have already paid those amounts to the providers of those courses.
2. The refund will not include institutional aid. All non-performance scholarships will be re-awarded at the year's rate when the student re-enrolls. Federal grants and loans will be recalculated and a portion will be subject to return to the granting or lending source. Students' refunds will not include these amounts of federal aid that we have to return.
3. Students who receive a performance scholarship will be welcome to reapply and to try out or audition as required. There is no guarantee that performance scholarships will be re-awarded.
4. The University Book Store will buy back the textbooks for 100% of their purchase price.
5. Students will need to follow the usual process to withdraw from school, except that they will also need to show their deployment orders to qualify for the refunds as described above. If students cannot come to campus because of timing of their orders, we can facilitate their withdrawal by telephone and/or fax.
6. The HLGU Veterans Representative will contact the Federal VA Coordinator to inform of the call to active duty and ask for guidance concerning VA benefits the student may be receiving during the enrollment period.

To Whom It May Concern:

Hannibal-LaGrange University (HLGU) is committed to continuing to provide the Degree Completion Program at the campus of Southeastern Community College in Keokuk, Iowa, with majors in Organizational Management. If at a future time HLGU were unable to continue this program, we would provide a "Teach Out" to provide completion for those students already in the program, or we would find an alternative for students to complete at another institution.

Should you have any questions or need further information, please feel free to contact me.

Thank you.

Sincerely,
