The Board consists of 18 members, 16 of whom are appointed by the Governor subject to confirmation by the state Senate. Of these 16 members, 14 serve staggered, seven-year terms; and two are UW System students, who serve two-year terms. The Board of Regents appoints the President of the UW System, the chancellors of the 13 universities, the chancellor of UW-Extension and UW Colleges, and the deans of the 13 colleges. These appointees serve at the pleasure of the Board. The Board also sets admission standards, reviews and approves university budgets, and establishes the regulatory framework within which the individual units operate.

Students should be given a refund for the unused portions of room and board contracts.

Institutions should do everything they can to ensure students are treated fairly and do not suffer an academic set-back because they have been called to active duty.

**The following steps will also be taken:**

No withdrawal fee will be charged.

The Advisement and Career Center will code all Military Withdrawals and the monthly withdrawal report will identify students in this category.

**Financial Aid Issues:**

The return of title IV calculation will be performed, but the student will not be obligated to repay any amount they owe from the calculation.

January 2014

This is to verify that the University of Wisconsin-Stout is committed to the delivery of programs offered to students living in the state of Iowa. The university will provide alternatives for students to complete programs at other institutions if UW-Stout closes the program before students have completed their courses of study.

Sincerely,

Charles W. Sorensen  
Chancellor
